### Exam details ...

- Final exams will be administered in the room in which you have that class.
- Students are to bring to the exam time any textbooks that need to be returned to the school. These will be collected at the start of the exam. Failure to return textbooks as required will result in withholding of final grades.
- Exams will be 60 minutes in length.
- All final exams should be cumulative for the 2<sup>nd</sup> semester and should focus on assessing higher-order thinking.
- Students are required to be on campus for their required assessment blocks. The only blocks for which a student does not have to be present is if she has RFT, an AP class, Phys. Ed., Art/Music, Scholars Seminar, or Language Prep that block.
- Attendance will be taken at the start of each testing session.
- If a student arrives late to an assessment block, she will be required to take that final exam in the 12 Noon to 1:30 p.m. testing block of time that same day. There will be no exceptions to this policy.
- Buses will arrive at Noon on exam days. Not all districts will be providing buses HOME so students should check our web site and *Hurricane Happenings* for detailed busing information.
- Students who will be staying for the late exam at Noon will be responsible for their own transportation home.

### Students entitled to extended time ...

- Student will begin the final exam with her class at the designated day and time.
- A student entitled to extended time will be permitted to take advantage of this opportunity that same day during the 12 Noon to 1:30 p.m. testing block of time.
- The student is to report to Room 316 by 12 Noon to complete her final exam.
